Dear Carol,

Over the last year, your support has allowed us to put together one of the broadest and most impressive lists of endorsers Los Angeles has ever seen. Now, we want to demonstrate to the community just how robust the movement to stop NII this March is.

We are putting together campaign graphics that feature the logos of all of our endorsers and we want you to be represented. Please send us a high-resolution file of your organization's logo at your earliest convenience.

These graphics will be a strong reminder of the broad support we have and of how strong our coalition is. As always, we thank you for your continued support!

Andrew
